

## **Performing Arts A Level Transition Work**

If you intend taking Performing Arts **at Larkmead** we would like you to complete the following tasks over the summer.

1. Please go to see a live performance of your choice - professional or amateur, local or national. Then write a 500 word review of the performance, evaluating all aspects - Skills, staging, lighting, costumes, set design, your overall response to the performance, strength of the performances.

2. Create a skills audit of your performance skills so far in your chosen pathway. Identify your strengths and areas for development, you can RAG these if you prefer or grade them as S=strength, DS= Developing strength, D= developing skill.

Please bring to your first lesson in September.
