

## Criminology Summer Work- types of crime

For each type of crime, research what the definition of the crime is (you could also include some examples), who is most likely to be the victim of this crime, who is most likely to commit this crime (offender) and, as an optional extension, think about how aware the public are of this type of crime.

### White Collar Crime

What is it?

Who are likely to be the victims?

Who are likely to be the offenders?

*What is the level of public awareness of this crime?*

### Moral Crime

What is it?

Who are likely to be the victims?

Who are likely to be the offenders?

*What is the level of public awareness of this crime?*

### State Crime

What is it?

Who are likely to be the victims?

Who are likely to be the offenders?

*What is the level of public awareness of this crime?*

### Technological Crime (cybercrime)

What is it?

Who are likely to be the victims?

Who are likely to be the offenders?

*What is the level of public awareness of this crime?*

### Individual- hate crime

What is it?

Who are likely to be the victims?

Who are likely to be the offenders?

*What is the level of public awareness of this crime?*

### Wider reading/watching/listening

Chose a podcast/book/TV broadcast and write up notes on the key issues relating to crime discussed/explored in it

- Podcasts e.g. Serial podcast
- Books e.g. The Secret Barrister
- TV e.g. Time- BBC
- News e.g. newspaper/TV/online news
